We hope the flowers, the art and the music inspire you  
to thanksgiving and prayer for the wonderful world  
around you

Look to the colour of a flower  
give thanks for God's palette

Look to its shape  
each contour exploring the height  
and depth of heaven

Attend to the scents  
for God looks to more than the surface

Admire the artistry  
for God works through our skills

May God inspire us to explore  
the works he does within us
